Mini Walk-Behind Floor Scrubber

A15

Sales Specification

10 Tecumseh Avenue West, Unit 4 · London, Ontario, Canada
Sales and Service · 519-871-4111

Specifications subject to the data plate on the delivered machine.

The machine

The ScrubWise™ A15 is a compact 24V walk-behind disc floor scrubber for indoor hard floors. A 381 mm brush scrubs a 381 mm path. A 545 mm rear squeegee recovers dirty water. At 58 kg and 825 mm long it fits elevators, restrooms, kitchens and tight aisles that a ride-on cannot. It is the smallest machine in the ScrubWise™ scrubber line — below the A120X walk-behind and the A26R ride-on.

- 381 mm scrub path, 545 mm squeegee.
- 24V / 50 Ah battery pack.
- 24V / 380 W brush motor at 180 rpm.
- 24V / 300 W vacuum motor, 120 mbar.
- 27 L solution tank and 30 L recovery tank.
- About 1330 m²/h theoretical coverage.
- Push walk-behind — 825 × 550 × 1100 mm.
- Net weight 58 kg.

ScrubWise™ A15 — warehouse view.
