Ride-On Floor Scrubber

A32R

Sales Specification

10 Tecumseh Avenue West, Unit 4 · London, Ontario, Canada
Sales and Service · 519-871-4111

Specifications subject to the data plate on the delivered machine.

The machine

The ScrubWise™ A32R is a 24V ride-on disc floor scrubber for indoor hard floors. Twin 405 mm brushes scrub an 860 mm path. A 1080 mm rear squeegee recovers dirty water. It ships with an LCD display and both brush and pad drivers. A spray gun on the tank is included for rinsing and local spots. It is sized for hospitals, plants, warehouses and large institutional floors — more coverage than the A26R, without stepping up to a sweeper-scrubber.

- 860 mm scrub path, 1080 mm squeegee.
- 24V system — four 6V / 200 Ah batteries.
- LCD display.
- Brush and pad drivers included.
- 120 L solution tank and 125 L recovery tank.
- On-board spray gun, 2.8 bar / 17 L/min.
- About 6450 m²/h theoretical coverage.
- Net weight 245 kg without batteries; 385 kg with batteries.

ScrubWise™ A32R.

Principal parts

- Steering column with LCD display, key switch and function controls
- Operator seat and diamond-plate foot deck
- Twin 405 mm disc brush deck — brush and pad drivers included
- Solution and recovery tanks
- Rear squeegee with replaceable blade
- Recovery vacuum hose and spray gun
- Warning beacon and headlights
- Side tool holder

Specifications

ScrubWise™ A32R ride-on floor scrubber

Description	Unit	A32R
Machine type	—	Ride-on disc floor scrubber
Working (scrub) width	mm	860
Squeegee width	mm	1080
Theoretical productivity	m ² /h	6450
Brush diameter	mm	405 × 2
Brush / pad drivers	—	Both included
Brush motors	V / W	24V / 380 × 2
Brush speed	rpm	180
Brush pressure	kg/cm ²	45
Drive (traction) motor	V / W	24V / 650
Vacuum motor	V / W	24V / 650
Vacuum	mbar	165
Solution tank	L	120
Recovery tank	L	125
Spray-gun pressure	bar	2.8
Spray-gun flow	L/min	17
Batteries	V / Ah	6V / 200 Ah × 4 (24V system)
Sound level	dB(A)	≤ 68
Maximum grade	%	15
Machine length × width × height	mm	1620 × 1020 × 1280
Display	—	LCD
Net weight (without batteries)	kg	245
Gross weight (with batteries)	kg	385

Figures are the data-plate values supplied with the machine. Optional batteries or brushes can change weight and run time. Confirm the plate on your unit if a figure is critical to a doorway, elevator or job.
